

Dear Sir or Madam,

we would like to inform you, that you need to register your car, if you want to arrive to the Forum Chemical Logistics by car. The reason for this is, that Antwerp has got an Low Emission zone. You can find some more information [here](#).

Low emission zone

**ZONE**

Low emission zone

Since 1 February 2017, the entire city centre of Antwerp and part of Linkeroever are a Low Emission Zone (LEZ) to ensure that air in the city becomes even cleaner. The most polluting cars are no longer welcome in the city. Always check your vehicle with the check tool before entering the LEZ.
